

# Vita Brite: GPS1

Universal solution for all skin types brightening, refining, and renewing hydration.

Be Bright. Be Beautiful.

## PRODUCTS NEEDED:

- MYSTIQ iLuminating Cleanser
- PRO Exfoliating Cleanser
- ICE Refining Masque
- Primer Plus Solution
- Vita Brite
- pH Solution
- PRO Lite Serum
- PRO C4 Retinol Serum
- BIO Lift Crème
- MYSTIQ Perfecting Eye Crème
- SPF Solar Shield 30
- BIO Lip Factor

## TREATMENT PROTOCOL:

<b>CLEANSE</b>	Thoroughly cleanse with <b>MYSTIQ iLuminating Cleanser</b> , rinse and repeat with <b>PRO Exfoliating Cleanser</b> . Remove with tepid barber towel or cleansing sponges.
<b>DETOX</b>	Apply a thin layer of <b>ICE Refining Masque</b> in an upwards motion from neck to forehead covering all facial area. Allow to rest for 5–10 minutes until masque begins to dry. Spritz <b>pH Solution</b> across the face and massage into the skin until a creamy mixture forms. Remove masque with tepid barber towel and cleansing sponges.
<b>PRIME</b>	Using gauze, apply <b>Primer Plus Solution</b> to entire face. Begin with forehead and wipe around the perimeter of the face in towards the cheeks and nose.
<b>EXFOLIATE</b>	Apply <b>Vita Brite</b> using a fan brush or gauze. Application should be even beginning at the forehead. Massage the for enhanced delivery of the solution if appropriate. Allow peel to penetrate for 3–5 minutes continually assessing skin's activity. Remove entire mixture with cool water until no activity is felt on the skin and the client's activity level is at a zero.
<b>BALANCE</b>	Lightly spritz entire face with <b>pH Solution</b> .
<b>BRIGHTEN</b>	Lightly massage 3–4 drops of <b>PRO Lite Serum</b> into skin until fully absorbed.
<b>RESTORE</b>	Lightly massage <b>PRO C4 Retinol Serum</b> into treated skin.
<b>HYDRATE</b>	Massage a large pea-size amount of <b>BIO Lift Crème</b> into skin until fully absorbed.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.

# Pumpkin Plus: GPS1

This spicy enzymatic/AHA/BHA-infused treatment is ideal for adolescent acne, aging, and pigmented skin.

Be Bright. Be Beautiful.

## PRODUCTS NEEDED:

- BIO Enzyme Cleanser
- PRO Exfoliating Cleanser
- Primer Plus Solution
- Pumpkin Plus
- PRO Brightening Masque
- pH Solution
- PRO Lite Serum
- MYSTIQ iLuminating Beauty Oil
- Pure Hyaluronic
- MYSTIQ Perfecting Eye Crème
- SPF Solar Shield 30 or BB Crème
- BIO Lip Factor

## TREATMENT PROTOCOL:

<b>CLEANSE</b>	Thoroughly cleanse with <b>BIO Enzyme Cleanser</b> , rinse and repeat with <b>PRO Exfoliating Cleanser</b> . Remove with tepid barber towel or cleansing sponges.
<b>PRIME</b>	Using gauze, apply <b>Primer Plus Solution</b> to entire face. Begin with forehead and wipe around the perimeter of the face in towards the cheeks and nose..
<b>EXFOLIATE</b>	Slightly agitate the peel bottle prior to dispensing. Using a painting motion with a fan brush or gauze, apply <b>Pumpkin Plus</b> . Begin application at the forehead, around the facial perimeter, down the nose, across the cheeks, finishing with the chin and upper lip. The client may use a fan to ensure comfort if needed. Massaging product into the face enhances penetration if desired. Skin activity will be felt for approximately 3–6 minutes. After the solution activity has subsided, gently rinse face with cool water until no activity is felt on the skin.
<b>MASQUE</b>	Apply <b>PRO Brightening Masque</b> with fingertips or a fan brush to entire facial area. Allow skin to rest for 10–15 minutes. Remove with a tepid barber towel.
<b>BALANCE</b>	Lightly spritz entire face with <b>pH Solution</b> .
<b>BRIGHTEN</b>	Lightly massage 3–4 drops of <b>PRO Lite Serum</b> into skin until fully absorbed.
<b>HYDRATE</b>	Massage 3–4 drops of <b>MYSTIQ iLuminating Beauty Oil</b> into skin until fully absorbed.
<b>NOURISH</b>	Apply 1–2 drops of <b>Pure Hyaluronic</b> , massaging into skin until completely absorbed.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.

# Sal Pulp: GPS1

Correct and clarify oily, acne, and resistive skin types.

Be Bright. Be Beautiful.

## PRODUCTS NEEDED:

- BIO Enzyme Cleanser
- PRO Exfoliating Cleanser
- Primer Plus Solution
- Sal Pulp
- pH Solution
- PRO Lite Serum
- BIO Hydra C Serum
- BIO Hydra Infusion
- MYSTIQ Perfecting Eye Crème
- SPF Solar Shield 30 or BB Crème
- BIO Lip Factor

## TREATMENT PROTOCOL:

<b>CLEANSE</b>	Thoroughly cleanse with <b>BIO Enzyme Cleanser</b> , rinse and repeat with <b>PRO Exfoliating Cleanser</b> . Remove with tepid barber towel or cleansing sponges.
<b>PRIME</b>	Using gauze, apply <b>Primer Plus Solution</b> to entire face. Begin with forehead and wipe around the perimeter of the face in towards the cheeks and nose.
<b>EXFOLIATE</b>	Slightly agitate the peel bottle before dispensing. Using gauze, apply <b>Sal Pulp</b> beginning the application at the forehead, around the facial perimeter, down the nose, across the cheeks, finishing with the chin and upper lip. This step will generally feel very active, client may use a fan to ensure comfort. Use a Wood's Lamp to check for even application. Massaging product into face will enhance penetration if desired. (Be sure to watch for erythema.) This peel is not removed as it is self-neutralizing. Gently press (do not rub) a cold barber towel into skin to release heat, aiding in client comfort.
<b>BALANCE</b>	Lightly spritz entire face with <b>pH Solution</b> .
<b>BRIGHTEN</b>	Lightly massage 3–4 drops of <b>PRO Lite Serum</b> into skin until fully absorbed.
<b>HYDRATE</b>	Massage 1 pump of <b>BIO Hydra C Serum</b> into skin until fully absorbed.
<b>NOURISH</b>	Apply 3–4 drops of <b>BIO Hydra Infusion</b> massaging into skin.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.

<b>HYDRATE</b>	Apply 1–2 drops of <b>PURE Hyaluronic</b> massaging into skin until completely absorbed.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.

# Mineral Retinol: GPS1

Brighten, refine, and clarify skin universally benefiting pigmented, aging, and acne skin types.

Be Bright. Be Beautiful.

## PRODUCTS NEEDED:

- MYSTIQ iLuminating Cleanser
- PRO Exfoliating Cleanser
- ICE Refining Masque
- Primer Plus Solution
- Mineral Retinol Solution
- pH Solution
- PRO Lite Serum
- MYSTIQ Infused C
- Pure Hyaluronic
- MYSTIQ Perfecting Eye Crème
- SPF Solar Shield 30 or BB Crème
- BIO Lip Factor

## TREATMENT PROTOCOL:

<b>CLEANSE</b>	Thoroughly cleanse with <b>MYSTIQ iLuminating Cleanser</b> , rinse and repeat with <b>PRO Exfoliating Cleanser</b> . Remove with tepid barber towel or cleansing sponges.
<b>DETOX</b>	Apply a thin layer of <b>ICE Refining Masque</b> in an upwards motion from neck to forehead covering all facial area. Allow to rest for 5–10 minutes until masque begins to dry. Spritz <b>pH Solution</b> across the face and massage into the skin until a creamy mixture forms. Remove masque with tepid barber towel and cleansing sponges.
<b>PRIME</b>	Using gauze, apply <b>Primer Plus Solution</b> to entire face. Begin with forehead and wipe around the perimeter of the face in towards the cheeks and nose.
<b>BRIGHTEN</b>	Lightly massage 3–4 drops of <b>PRO Lite Serum</b> into skin until fully absorbed.
<b>RESTORE</b>	Massage a 1–2 pumps of <b>MYSTIQ Infused C</b> into skin until fully absorbed.
<b>EXFOLIATE</b>	Using rough gauze, apply the <b>Mineral Retinol Solution</b> in a painting motion over entire facial region (avoiding the eye and lip areas). Allow to absorb. Use a Wood's Lamp to check application. Once activity has subsided, solution may be layered up to three times as per skin needs. Do not remove. Advise client/patient to leave on for a minimum of 8 hours before removing.
<b>HYDRATE</b>	Apply 1–2 drops of <b>Pure Hyaluronic</b> massaging into skin until completely absorbed.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.

# Green Power: GPS1

Be Bright. Be Beautiful.

Naturally stimulate healthy cell turnover while addressing pigment and lackluster skin. Green Power is delivered into the skin with the brightening and hydrating benefits of the PRO Brightening Masque.

## PRODUCTS NEEDED:

- MYSTIQ iLuminating Cleanser
- PRO Exfoliating Cleanser
- Primer Plus Solution
- Green Power
- PRO Brightening Masque
- pH Solution
- PRO Lite Serum
- BIO Hydra C Serum
- PRO Retinal-Plus Treatment
- MYSTIQ Perfecting Eye Crème
- SPF Solar Shield 30 or BB Crème
- BIO Lip Factor

## TREATMENT PROTOCOL:

<b>CLEANSE</b>	Thoroughly cleanse with <b>MYSTIQ iLuminating Cleanser</b> , rinse and repeat with <b>PRO Exfoliating Cleanser</b> . Remove with tepid barber towel or cleansing sponges.
<b>PRIME</b>	Using gauze, apply <b>Primer Plus Solution</b> to entire face. Begin with forehead and wipe around the perimeter of the face in towards the cheeks and nose.
<b>EXFOLIATE</b>	In a sterile medicine cup, measure approximately 15 ml of <b>PRO Brightening Masque</b> with 1/4–1/2 capful of <b>Green Power</b> powder. Using a fan brush, mix together and spread generously across the face and neck for 1–2 minutes. Using gentle massage movements, work the herb mixture into the skin for up to 2 minutes. The client will feel some stimulation and visible erythema. This is normal. Complete the removal process with a cool barber towel. Note: Due to the nature of this herbal exfoliating powder, it is normal for clients to feel some activity when touching the skin up to 24 hours after mixture removal.
<b>BALANCE</b>	Lightly spritz entire face with <b>pH Solution</b> .
<b>BRIGHTEN</b>	Lightly massage 3–4 drops of <b>PRO Lite Serum</b> into skin until fully absorbed.
<b>HYDRATE</b>	Massage 1 pump of <b>BIO Hydra C Serum</b> into skin until fully absorbed.
<b>NOURISH</b>	Massage 1 pump of <b>PRO Retinal-Plus Treatment</b> into skin until fully absorbed.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.

# Beta Plus: GPS1

Designed to address inflammatory acne, correct epidermal pigmentation, and re-establish balance in skin.

Be Bright. Be Beautiful.

## PRODUCTS NEEDED:

- BIO Enzyme Cleanser
- PRO Exfoliating Cleanser
- Primer Plus Solution
- Beta Plus
- pH Solution
- PRO Lite Serum
- MYSTIQ iLuminating Beauty Oil
- Pure Hyaluronic
- MYSTIQ Perfecting Eye Crème
- SPF Solar Shield 30 or BB Crème
- BIO Lip Factor

## TREATMENT PROTOCOL:

<b>CLEANSE</b>	Thoroughly cleanse with <b>BIO Enzyme Cleanser</b> , rinse and repeat with <b>PRO Exfoliating Cleanser</b> . Remove with tepid barber towel or cleansing sponges.
<b>PRIME</b>	Using gauze, apply <b>Primer Plus Solution</b> to entire face. Begin with forehead and wipe around the perimeter of the face in towards the cheeks and nose.
<b>EXFOLIATE</b>	Using gauze, apply a thin layer of <b>Beta Plus</b> . With even pressure, begin application at the forehead, around the facial perimeter, down the nose, across the cheeks, finishing with the chin and upper lip. As this step will generally feel active, client may use a fan to ensure comfort. Use a Wood's Lamp to check for even application. This is your treatment end point. (Note: this peel is not removed as it is self-neutralizing). Gently press (do not rub) a cool barber towel into skin to release heat, aiding in client comfort.
<b>BALANCE</b>	Lightly spritz entire face with <b>pH Solution</b> .
<b>BRIGHTEN</b>	Lightly massage 3–4 drops of <b>PRO Lite Serum</b> into skin until fully absorbed.
<b>RESTORE</b>	Massage 3–4 drops of <b>MYSTIQ iLuminating Beauty Oil</b> into skin until fully absorbed.
<b>HYDRATE</b>	Apply 1–2 drops of <b>Pure Hyaluronic</b> massaging into skin until completely absorbed.
<b>EYE CRÈME</b>	Gently apply <b>MYSTIQ Perfecting Eye Crème</b> around, under, and over the entire eye area.
<b>PROTECT</b>	Evenly apply <b>SPF Solar Shield</b> or <b>BB Crème</b> color of choice over face, neck, and décolleté with a pat-n-roll application. Apply <b>BIO Lip Factor</b> to the lips.
